I, Matt Linkous, declare, under penalty of perjury, that I am more than eighteen years of age, of sound mind, and state that the following is true to the best of my knowledge, information, and belief:

- Case 7:19-cv-00394-MFU Document 1-2 Filed 05/24/19 Page 2 of 15 Pageid#: 362

5. BAE OSI is a federal contractor that has operated the Arsenal since it was awarded the facility's federal contract and BAE OSI started operating the Arsenal pursuant to the contract in July 2012.

6. Jeffery S. Meadows ("Meadows") was hired by BAE OSI as a full-time Program Manager I, reporting to Michael Bate ("Bate") at the Arsenal. When applying for his position, Meadows interviewed on-site at the Arsenal.

7. During his employment with BAE OSI, Meadows' office was located within the Arsenal in Administrative Building 220, and his physical presence was normally required to perform his duties within the Arsenal.

8. Building 220 does not require a badge reader scan to enter through the front between the hours of 7:30 am and 4:30 pm Monday thru Friday. It does require a badge reader scan to enter through the basement entrance on the North West Corner of Building 220 and at the basement entrance at the loading dock. No badge reader scan is required to leave Building 220.

9. To reflect, in part, Meadows' physical presence for his work within the Arsenal, I am attaching hereto as **Exhibit 1**, a true and accurate copy of Meadows' punch times (i.e. badge reader scans) within the Arsenal from January 4, 2016 to May 1, 2017.

10. On June 21, 2017, I sent the letter attached to Meadows' Amended Complaint as Exhibit B from the Arsenal to Meadows notifying him that, following an investigation which began on or around May 1, 2017, Meadows was found to have "violated [BAE OSI's] Code of Conduct and Ethics policies related to Conflict of Interest," and he was found to have "violated [BAE OSI's] Timekeeping policy and mischarged time while [he] worked for BAE." Accordingly, Meadows was terminated from his employment with BAE at the Arsenal effective June 21, 2017.

11. The investigation that supported Meadows' termination relied, in part, on documents and information located within and originating from the Arsenal.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct to the best of my knowledge, information, and belief.

A handwritten signature in cursive script, appearing to read "Matt Linkous", is written above a horizontal line.

Matt Linkous, PHR, CCP
